

1 Watch the sequence and match each person to their job.

- bookseller
- schochteacher
- helicopter pilot
- sales rep
- Oxford Walking Tour Guide
- airline pilot
- lecturer

2 Work in six groups. Each group should choose a different person. Watch the sequence again and complete the information about that person, as in the example.

Now speak to the students in the other groups and complete the information about the five people in the other photos.

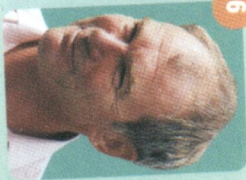

1  Job: *school teacher*
Hours: *about 60 during term time*
