Hi there! I've got a big family. My grandparents are coming to visit us these weekends. My father is very happy because they are his parents, and he is glad that he will see them. We don't see them very often because they live too far from our house.

My grandparents have got two sons: my father and my Uncle Herb. Uncle Herb hasn't got a wife or children. He is a very successful businessman. I'm very proud of him!

I've got a brother and a sister. My brother is two years older than me. He can be nasty, but he knows how to cheer me up and always takes

care of me. My sister is a toddler. People say that my sister and I look alike. We both have blonde hair and blue eyes.

My mother's parents live near us. They are the grandmother and grandfather who visit us often. My mother has got twin sisters. They often take Bart and me to the movies.

I like it when all my family is together. I don't have a lot of cousins like some people do, but I have fun with my relatives.
