2. Read the text and guess the animal. Draw it. (Прочитай текст и отгадай, какое животное в нем описано. Нарисуй его.)

It lives in the Middle East, North Africa, West Asia and in the Australian Outback. They are sometimes called “ships of the desert.” This is because they can go and transport cargo through the desert. They usually travel 25 miles a day at 3 miles per hour. They eat mostly dry grass and spines. They are intelligent, have good eyesight and hearing. They can be wild and can live on the farm to help people.

1. 3. Make the riddle about the animal. (Загадай загадку про животного: опиши его, не называя.  
Нарисуй это животное.
