USE LANGUAGE SUCH AS

- ✓ How are you feeling?
- ✓ We need to fill out this patient information form
- ✓ Any major procedures in your past?

**Ex.8. Use the conversation from Ex.7 to fill out the Patient Admission Form.**

**PATIENT ADMISSION FORM**

Patient details	
Full name	
Reason for admission	
Past medical history	
Past surgical history	
Medication	
Allergies	
Next of kin	

## ЭТАЛОН ОТВЕТА

**Shona, the ward Nurse, is admitting Mrs. Chad**

**Shona:** Good morning, Mrs. Chad. My name's Shona. I'm admitting you to the ward.

**Mrs. Chad:** Good morning, Shona

**Shona:** How are you today?

**Mrs. Chad:** Yes, of course. That's fine.

**Shona:** I'd like to ask you a few questions, if it's all right with you?

**Mrs. Chad:** Not too bad, thank you.

**Shona:** Can you tell me your full name, please?

**Mrs. Chad:** Yes, it's Doreen Mary Chad.

**Shona:** Can you tell me why you're here today?

**Mrs. Chad:** Well, I've got high blood pressure, and I'm here for some tests.

**Shona:** Have you had any serious illnesses in the past?

**Mrs. Chad:** Yes, I had a mild heart attack last year.

**Shona:** Have you ever had any operations?

**Mrs. Chad:** No, I'm very lucky. I never have.

**Shona:** Now, are you taking any medications at the moment?

**Mrs. Chad:** Yes, my doctor put me on some blood pressure tablets after my heart attack.

**Shona:** Do you have any allergies to any medications?

**Mrs. Chad:** Not that I know of.

**Shona:** Can you tell me the name of your next of kin?

**Mrs. Chad:** It's my son, Jeremy. Jeremy Chad.

USE LANGUAGE SUCH AS,

**I had my appendix out when I was fourteen.**

**I take aspirin every day for my arthritis.**

**I'm here for a chest X-ray.**

**I had pneumonia two years ago.**

**I'm allergic to nuts.**

**Nurse's Duties at hospital**

**Ex.1. Read and translate the passage about nurse's duties at hospital using the following words:**

to take the temperature	измерять температуру
a ward	палата
nurse call	кнопка вызова
to examine	осматривать
condition	состояние
an injection	инъекция
to make injections	делать инъекции
to give medicine	дать лекарство
to observe	наблюдать
to get out of bed	встать с постели
action	действие
side effects	побочные эффекты
to assist a doctor	ассистировать врачу
X-ray department	рентгенологическое отделение

**Ex. 2. Mark the following statements as a true (T) or false (F).**

1 A nurse at any hospital must show the patient the ward, tell the patient how to use the nurse call, help the patient to change into pajamas.

2 They don't help patients to get out of bed, change into pajamas, take their temperature, blood pressure, pulse.

3 Sometimes the nurses carry out sterile procedures and sometimes they assist the doctors.

4 Doctors take patients to the X-ray department.

5 Doctors must observe any changes in patient's condition and tell the nurses about them.

A nurse at any hospital must show the patient the ward, tell the patient how to use the nurse call, help the patient to change into pajamas. The nurse must also introduce herself and explain what she is going to do. It helps the patient feel comfortable.

The nurses in the ward carry out various nursing duties. They help patients to get out of bed, change into pajamas, take their temperature, blood pressure, pulse, put mustard plasters and compresses. Nurses also give medicines and explain their action and side effects, make injections. Sometimes the nurses carry out sterile procedures and sometimes they assist the doctors. A nurse has to prepare patients for medical examinations.

Sometimes they take patients to the X-ray department. They must observe any changes in patient's condition and tell the doctor about them.

**Ex. 3. Answer the questions.**

1 How must a nurse help the patient feel comfortable?

2 Who carries out various nursing duties in the ward?

3 Whom do nurses assist?

4 What does a nurse have to prepare patients for?

5 Where do nurses take patients to?

**Nurses are the heart of health care**
