- Hi. What do you think about The Great Patriotic War?
- It was the most terrible war. Soviet soldiers, nurses and doctors heroically defended their homeland from Nazis heavy attack.
- Where there a lot of female medical workers?
- Of course, the female Soviet nurses and doctors worked under the Nazis heavy fire in the tent hospitals and battlefields.
- Was their exhausting work connected with risk?
- Sure. A lot of them lost their lives or were badly hurt when their hospitals came under the Nazis heavy fire.
- Did your great-grandma work as a nurse or a doctor during the Great Patriotic War?
- My great-grandma worked as a nurse in the military hospital in the war. She treated and took care of the wounded and ill Soviet soldiers. She did everything to save their lives and to serve our Motherland.
- We must remember their heroism.
