Here's a *Snakes and ladders* board game to play with your friends and family. You need to print the board game, and you can print dice for the game too.

How to play:

- Each player puts their counter on the space that says 'START'.
- Take it in turns to roll the dice. Move your counter forward the number of spaces shown on the dice.
- If your counter lands at the bottom of a ladder, you can move up to the top of the ladder.
- If your counter lands on the head of a snake, you must slide down to the bottom of the snake.
- If there is a question/a task on the space, answer/do it. If your answer is correct, move your counter one space forward. If your answer is incorrect, don't move.
- The first player to get to the space that says 'FINISH' is the winner.

Have fun!
